Microsoft Learn Student Ambassadors SRM

Corporate Associate

February 2022 - Present (1 month)

Chennai, Tamil Nadu, India

Corporate domain member at MLSA SRM

Ramanujan Mathematics Club SRMIST KTR
Logical Explorer
September 2021 - Present (6 months)
Chennai, Tamil Nadu, India

My role as a Logical Explorer is to explore interesting and Reasoning Questions for our events, e- Intra-Collegiate Mathematics Festival (e-IMF) and Engineering Mathematics festival (EMF) which are hosted bi-annually.

National Engineering Olympiad
Campus Ambassador
February 2022 - Present (1 month)
New Delhi, Delhi, India

As a Campus Ambassador Intern, my main responsibility was to promote NEO via my social media or in different schools, universities or institutions. I had to come up with creative ways to promote NEO and bring referrals to the National Engineering Olympiad.

Internshala
Internshala Student Partner 27
February 2022 - Present (1 month)
New Delhi, Delhi, India

As an Internshala Student Partner, my main responsibility was to promote ISP 27 Online Talks via my social media or in different schools, universities or institutions. I had to come up with creative ways to promote and bring referrals to the Internshala trainings.

International Model United Nations Association (IMUNA)
Campus Ambassador
November 2021 - December 2021 (2 months)
New Delhi, Delhi, India

As a Campus Ambassador Intern, my main responsibility was to promote IMUN conferences via my social media or in different schools, universities or institutions. I had to come up with creative ways to promote IMUN and bring referrals to the IMUN Online Conference.

Verzeo
Campus Ambassador
November 2021 - December 2021 (2 months)
New Delhi, Delhi, India

• Represented Verzeo as a brand.
• Got as many registrations as possible.

• Helped in digital marketing to raise awareness about our internship programs.
